15. Silk Roads: the Reservoir Project

Organisers:

ICOMOS International Conservation Centre Xi' An (IICC-X)

Activities:

Event 1: Conservation and Utilisation of Industrial Heritage - Xiying Film

About 30 international and domestic university students are guided by professional interpreters to visit Xiying Film Museum and exchange views on innovation in conserving and utilising the industrial heritages in Xi'an. With the successful public event at Xiying Film Museum, the 2023 "Cultural Heritage Awareness Season" of IICC-X and the 418 IDMS "Silk Roads: the Reservoir Project" serial activities are officially kicked off.

Event 2: The Daming Palace Site in Transformation - Education & Inspiration Practice at Daming Palace Site Research Centre

170 students from Xi'an Jiaotong University, Northwest University and Shaanxi Normal University attended on-site. The event aims to encourage students from different universities and fields of study to think and explore the critical issues related to "Heritage Changes" and join hands in innovative heritage conservation, utilisation, and development. It also calls for the active participation of all people in the Great Heritage Site conservation, with broader attention from youth groups and society.

Event 3: Visit the Tang West Market Museum and Collaborative Game Themed on the Silk Roads Cultural Heritage

Students visit the Tang West Market Museum and learn about the history and culture of Tang Chang'an City and the Tang West Market. They experience and participate in the Silk Road cultural heritage theme collaborative games on the Tang West Market's "Silk Road Street". Each group combine domestic and

international students. They team up to collect "Silk Roads Map" stamps at five locations on the Silk Road Street: China Square, India Square, Kucha Square, the "Mogao Caves" model, and the Southeast Asia Corridor of the Silk Road Street.
