In producing this toolkit, SCTF-1 has extended an invitation to all of the representatives recommended within the ToR to achieve geographic and linguistic representation. We have been joined by representatives / focal points from the CAWG (Will Megarry), SDGWG (Gabe Caballero), EPWG (Laure Marique), co-ordinators of the communications strands of the SCTF- 2: ICOMOS (Internal) Communications (Sheridan Burke), SCTF-3: ICOMOS Memory (Ishanlosen Odiaua) in liaison with the Board Task Team on Communications and Website and Sustainability (Nupur Prothi, Riin Alatalu). Linguistic representation (Francophone) is supported through the participation of Laure Marique. Spanish translation is facilitated by Adriana Careaga and previously by Lorenza Stanziano. Helen Wilson has contributed the experiences of Australia in preparing for GA2020 & 2023.

The unstinting effort of these members is gratefully acknowledged, as are the initiatives undertaken for the 21st ICOMOS GA in Sydney 2023.
